

2016 General Election Guide & Voting Recommendations

November 8, 2016

HERE'S WHAT THE RATINGS MEAN:

A candidate's questionnaire score and/or past voting record and legislative efforts were taken into consideration before a final grade was assigned to a candidate. CRPA candidate ratings are solely based on a candidate's position on Second Amendment and hunting related issues.

- (D) Democrat Party
- (G) Green Party
- (L) Libertarian Party
- (NP) No Party
- (P&F) Peace and Freedom Party
- (R) Republican Party

I: Indicates an incumbent candidate.

FTAQ: Indicates that the candidate was sent a CRPA questionnaire and failed to answer the questionnaire. As a result, CRPA was unable to evaluate the candidate's position on firearms and hunting-related issues.

A+: Indicates an elected official who has an excellent voting record and who has made a significant effort to defend the Second Amendment and hunting issues.

A/A-: Indicates a pro-gun candidate who strongly supports CRPA positions on Second Amendment and hunting-related issues.

B+/B/B-: Indicates a candidate that supports Second Amendment and hunting-related issues in most instances.

C+/C/C-: Indicates a candidate that supports some CRPA positions but is not consistently a pro-gun or pro-hunting candidate.

D+/D/D-: Indicates an anti-gun and anti-hunting candidate who is not supportive of CRPA positions.

F: Indicates a vehement anti-gun candidate. If the candidate is an incumbent they always oppose gun owner's rights and/or actively support or sponsor anti-gun and anti-hunting legislation.
