Hello everyone!

I'm Kelly the Volunteer & Grassroots Coordinator here at the CRPA. First off, I'd like to say thank you so much for taking the time out of your day to become a CRPA volunteer.

This newsletter will be my way of getting information out to all of my wonderful volunteers on a monthly basis. It will include a calendar of events for the month. If you're interested in volunteering or participating at an event there will be a sheet sent with the newsletter for you to select the events you are interested in attending and the hours you can work at that event. You will receive a follow-up call once it is received.

This newsletter is all about volunteers so if you have a special way you set up a booth that you feel is successful, send in a picture with a description and I will include it in one of the newsletters. If you have a fantastic pitch for getting more members, share it and I will publish it so that more volunteers can use it!

We will be having quarterly and end-of-year drawings for our volunteers to win awesome prizes. The more events you do the greater your chances. If you know of or own a business that would like to donate any items for those raffles, please let me know. Winners will be featured in the following months newsletter.

Thank you!

I'd like to GET INVOLVED at these events!
