Another popular option for the estate of a surviving spouse is to divide the second estate into two parts. The first portion of the estate is given to the children when you pass away. The other part is transferred to a "Give It Twice" Trust. This is a charitable remainder unitrust that pays 5% each year to children for 20 years (5% times 20 years equals 100% — or you may select 6% for 18 years). After paying income to children for 20 years, the trust corpus is given to favorite charities. If you select this option, please choose the portion outright and the part in the "Give It Twice" Trust (the total of the two percentages will equal 100%).
