Subject: Letter of Appreciation for Representing the United States of America as a Member of the United States Olympic Shooting Team

Dear Amber,

I write on behalf of the California Rifle & Pistol Association (CRPA). The CRPA Board of Directors congratulates you for your Gold Medal performance in Women's Skeet at the 2020 Tokyo Olympic Games, the USA Shooting Team's best performance since the 1964 Olympics in Tokyo.

We understand that you come from a long line of competitive shooters and hunters. As California's oldest Second Amendment organization, we value our nation's hunting and shooting heritage. Congratulations for your contributions to our nation's shooting history. You are now part of that legacy.

We know it was an incredibly difficult year to train and prepare for the Games under pandemic conditions. You have truly earned your 2021 ISSF world ranking as Number Three in Women's Skeet. We hope to see your ranking increase to number one in the years to come. Your father would be so proud of your accomplishments.

You are truly an inspiration to all Americans and specifically the youth who are up-and-coming in the shooting sports. Your event was a thrill to watch. The dedication, time, and sacrifices required to achieve your level of skill is admirable. Your marksmanship ability and competitive mindset, shooting under extreme pressure of Olympic competition, were evident throughout your event.

We would also like to commend you for your service to our country as an officer of the United States Army. All the members of the CRPA, look forward to watching you in the future and wish you all the best in both your shooting career as well as your Army career.

Sincerely,

A handwritten signature in black ink that reads 'Michel'.

C.D. "Chuck" Michel
President, California Rifle & Pistol Association Inc.
