Subject: Letter of Appreciation for Representing the United States of America as a Member of the United States Olympic Shooting Team

Dear Kayle,

I write on behalf of the California Rifle & Pistol Association (CRPA). The CRPA Board of Directors congratulates you for your Silver Medal performance in Women's Trap at the 2020 Tokyo Olympic Games, the USA Shooting Team's best performance since the 1964 Olympics in Tokyo.

As California's oldest Second Amendment organization, we are dedicated to the preservation of our nation's shooting tradition. Congratulations for your contributions to our shooting history as you take your place as part of that legacy.

You are truly an inspiration to all Americans and specifically the youth who are up-and-coming in the shooting sports. Your shotgun events were a thrill to watch as you fought hard and jumped from 9th place to 5th during the qualification to secure your spot in the final and ultimately win the Silver Medal. The time, sacrifices, and dedication required to achieve your level of skill is admirable. Your marksmanship skills and competitive focus shooting under extreme pressure of Olympic competition, were evident throughout your event.

We know it was an incredibly difficult year to train and prepare for the Games under pandemic conditions. You have truly earned your 2021 ISSF world ranking as Number Nine in Women's Trap, and we look forward to seeing you move up in the ranking in the years to come.

All the members of the CRPA, look forward to watching you both in future Olympic and international shooting events and wish you all the best. Be safe, shoot straight and congratulations.

Sincerely,

A handwritten signature in black ink that reads 'Chuck Michel'.

C.D. "Chuck" Michel  
President, California Rifle & Pistol Association Inc.
